

Stable State

weight & space

Mobile State

time & flow

Stable State: cycling the Vertical Plane

<u>Directions</u>	<u>weight</u>	<u>space</u>
right, high	decreasing pressure	indirecting
right, deep	increasing pressure	indirecting
left, deep	increasing pressure	directing
left, high	decreasing pressure	directing

Remote State: traversing the Sagittal Dimension

<u>Directions</u>	<u>time</u>	<u>flow</u>
forward, far	decelerating	freeing
back, near	accelerating	binding
forward, near	decelerating	binding
back, far	accelerating	freeing
